PATHOLOGY

Dr Mahabube.

Dr CHOWDHRY

Instructions:

- I. (a) Pathology and microbiology shall be taught in relation to the concept of miasma as evolved by Samuel Hahnemann and further developed by JT Kent, H.A. Robert, J.H. Allen and other stalwarts, with due reference to Koch's postulate, correlation with immunity, susceptibility and thereby emphasizing homoeopathic concept of evolution of disease and cure;
- (b) Focus will be given on the following points, namely:-
  - (1) Pathology in relation with Homoeopathic Materia Medica.
  - (2) Correlation of miasms and pathology.
  - (3) Characteristic expressions of each miasm.
  - (4) Classification of symptoms and diseases according to pathology.
  - (5) Pathological findings of diseases; their interpretation, correlation and usage in the management of patients under homoeopathic treatment.
- (c) To summarise, all the topics in the general and systemic pathology and microbiology should be correlated, at each juncture, with homoeopathic principles so that the importance of pathology in Homoeopathic system could be understood by the students.

नई दिल्ली। तालकटोरा स्टेडियम में आयोजित आईपीयू स्वास्थ्य मेले में हर वर्ग के लोग मुफ्त चिकित्सा जांच और स्वास्थ्य सेवाओं का लाभ उठा रहे हैं। बीआर सूर होम्योपैथिक मेडिकल कॉलेज के प्रोफेसर डॉ. एसएन जाना ने बताया कि पिछले दो दिनों में 300 से अधिक हीमोग्लोबिन परीक्षण किए गए हैं, जिनमें से 50 प्रतिशत एनीमिया यानी खून की कमी से पीड़ित हैं। राजीव गांधी कैंसर संस्थान और अनुसंधान केंद्र द्वारा आयोजित कैंसर स्क्रीनिंग में ब्रेस्ट और गर्भाशय ग्रीवा कैंसर स्क्रीनिंग के लिए भी भारी परामर्श देखा गया है। आज एक मरीज की शुरूआती जांच में ब्रेस्ट कैंसर का

संकेत देने वाली गांठ का पता चला, और उसे आगे की जांच और तत्काल देखभाल की सिफारिश की गई। चिंता, तनाव, विश्वास, अवसाद, रिश्ते के मुद्दे और आत्मविश्वास की कमी 100 से अधिक युवाओं के बीच मानसिक स्वास्थ्य के प्राथमिक क्षेत्रों के रूप में उभरी, जिन्होंने इस कार्यक्रम में मानव व्यवहार और संबद्ध विज्ञान संस्थान आईबीएचएस से एक-एक करके मानसिक स्वास्थ्य परामर्श लिया।

Good Morning Sir,

This is a gentle reminder on the email we sent previously, we did get an opportunity to speak with Dr Archana and she explained that students are now on their summer vacation. However, this course and subsequent placement in the best of the corporates is an equally great opportunity for interns.

We would request you to consider a short meeting with existing interns to make them aware of the opportunity and answer any questions they may have.

We look forward to your response.

Sincerely,

Dr Vibha Verma
