6(i) Details of continuous medical education programmes, research course, conferences or any other academic activities conducted by the institution

Event Report:

1. A Workshop and launch campaign of Ashwagandha- A Health Promoter was held in NDMC Convention Centre, New Delhi on 5-03-24, organized by Directorate of Ayush, Govt. of India.

Purpose:

The Ayush Department, organized a seminar dedicated to promoting the health benefits of Ashwagandha. Ashwagandha, a prominent herb in Ayurvedic medicine, has gained attention globally for its potential therapeutic properties. The event aimed to disseminate knowledge about Ashwagandha's role in enhancing overall well-being and its significance in traditional medicine.

Key Highlights of workshop:

1. Expert Presentations: Renowned experts in Ayurveda delivered insightful presentations on Ashwagandha's medicinal properties, its historical significance, and contemporary research validating its efficacy.
2. Scientific Evidence: The seminar featured discussions on recent scientific studies corroborating Ashwagandha's role in promoting various aspects of health, including stress reduction, immune system enhancement, and cognitive function improvement.
3. Interactive Sessions: All the attendees had the opportunity to engage in interactive sessions where they could ask questions, share experiences, and seek clarifications regarding the usage, dosage, and potential side effects of Ashwagandha.
4. Industry Perspectives: Representatives from the herbal medicine industry shared insights into the production, quality control, and marketing aspects of Ashwagandha-based products nationally and globally, providing a comprehensive understanding of its commercial viability.
5. Community Engagement: The event emphasized the importance of integrating traditional medicinal practices into mainstream healthcare systems to ensure holistic wellness.

Conclusion:

The Ashwagandha Health Promotion Seminar organized by the Ayush Department served as a platform for knowledge exchange, collaboration, and advocacy in harnessing the therapeutic potential of this ancient herb. With growing interest and scientific validation, Ashwagandha emerges as a promising health promoter deserving attention in both traditional and modern medicinal frameworks.

6 (J) Details of awards and achievement received by the students/ faculty/ by the college/medical Institution:
